SELECTIVE SERVICE SYSTEM
LOCAL BOARD NO. 7
658 GRAND AVENUE
ST. PAUL, MINNESOTA

Re: Russell Lambie Sutmar
No. 714

Gentlemen:

We have employed Mr. Russell Lambie Sutmar of 101 So. Milton Street, St. Paul, Minnesota as Office Manager on Operations on our construction project in Canada, Alaska Highway-Section "B", Contract No. WAPR-14313, which is a Certified National Defense Project carrying an A-1-a Priority rating.

We respectfully request your early and favorable consideration in granting to Mr. Sutmar a Permit to Leave the United States on your Form No. 351, in duplicate, on the grounds that he is a "necessary man" as defined in the Selective Service Regulations.

The construction of the defense Highway through Canada to Alaska was authorized under the Military Appropriation Act of 1942 and is necessary for the movement of troops and equipment required by military forces for the defense of the Nation.

Due to the limited time for completion of this project and in view of the important relation of Mr. Sutmar's work to the defense effort and the difficulty in securing a competent employee to replace him, it is urged that his induction into the Military service be deferred for six months subject to renewal.

Yours very truly
